MONAGHAN INTEGRATED DEVELOPMENT CLG

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The directors present their annual report and financial statements for the year ended 31 December 2021.

Principal activities

Monaghan Integrated Development is a Local Development Company funded by the Irish Government and charged with the delivery of a range of programmes whose aim is to support specific target groups with a view to making a positive difference in their lives. Monaghan Integrated Development was set up in late 2008 (formally County Monaghan Partnership Ltd) as part of the process of restructuring of the local development sector nationally.

A core role of Monaghan Integrated Development is to promote social inclusion, encourage enterprise development and employment creation, support access to education, training and lifelong learning for specific target groups and assist community and voluntary groups to play their part in tackling disadvantage and supporting volunteerism.

Monaghan Integrated Development implements the LEADER programme on behalf of Monaghan LEADER LAG & the Minister for Rural & Community Development. The core aim of the LEADER programme is to improve the quality of life of people in rural areas and to diversify the rural economy through a range of supports designed to help make rural areas economically and socially more sustainable.

The company also holds the contract to deliver the Social Inclusion Community Activation Programme (SICAP) on behalf of Monaghan Local Community Development Committee and the Minister for Rural & Community Development. SICAP supports increased access to services for specified target groups and engaging with local communities in developing their areas. The programme focuses largely on facilitating skills development, lifelong learning, job placement and on supporting enterprise.

Building on the two core programmes above, MID works to secure additional complementary funding from other sources which has the effect of working to achieve overall company objectives. A range of complementary programmes are delivered (ie. Local Employment Service, Jobs Club, Volunteer Centre, TUS, Rural Social Scheme, Fit for Work and Life, CAWT CoSync, HSE Section 39 Funding, Parenting Monaghan, Healthy Ireland and other small complementary funding) with a common theme of improving the lives of participants/clients. In addition, MID may, from time to time, also deliver a range of ad hoc and/or once off initiatives which supports the core role and objectives of the organisation.

The main object of Monaghan Integrated Development as an Integrated Local Development Company as outlined by our governing articles is to promote, support, assist and engage in (a) social development, (b) to alleviate unemployment through employment support and employment generation, (c) enterprise development to facilitate rural and urban regeneration, (d) the development of the environment, culture and heritage and (e) community development, designed to benefit and promote the welfare of local communities or to deal with the causes and consequences of social and economic disadvantage or poverty.

The company has staff employed by the company under the TUS & RSS programmes but administered and paid directly by Pobal. The average number of such employees in 2021 was 149 (2020: 146). The gross pay for these employees in 2021 was €2,132,034 (2020: €2,189,864) and the employer prsi in 2021 was €34,882 (2020: €37,038).

The Company is a non profit making organisation. The Company is registered as a charity (No. 20071486) with the Charities Regulatory Authority.

Directors and secretary

The company is limited by guarantee and therefore the directors do not hold any interest in the company.

Results and dividends

The results for the year are set out on page 7.

Accounting records

The company's directors are aware of their responsibilities, under sections 281 to 285 of the Companies Act 2014 as to whether in their opinion, the accounting records of the company are sufficient to permit the financial statements to be readily and properly audited and are discharging their responsibility by employing qualified and experienced staff, ensuring that sufficient company resources are available for the task and liaising with the company's auditors/seeking external professional accounting advice.

The accounting records are held at the company's business premises, Unit 9 Drumillard Business Park Castleblayney Co Monaghan.

Auditor

In accordance with the Companies Act 2014, section 383(2), DBA Accountants Ltd continue in office as auditors of the company.

MONAGHAN INTEGRATED DEVELOPMENT CLG

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (Generally accepted Accounting Practice in Ireland) issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for that financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

Each of the directors in office at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he / she ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 330 of the Companies Act 2014.

The entity has availed of the small companies exemption contained in the Companies Act 2014 with regard to the requirements for exclusion of certain information in the directors' report.

On behalf of the board

MONAGHAN INTEGRATED DEVELOPMENT CLG

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

Opinion

We have audited the financial statements of Monaghan Integrated Development CLG (the 'company') for the year ended 31 December 2021 which comprise the income and expenditure account, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2021 and of its surplus for the year then ended;
- have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the provisions available for small entities, in the circumstances set out in Note 13 to the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information in the annual report. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MONAGHAN INTEGRATED DEVELOPMENT CLG

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that in our opinion:

- the information given in the directors' report is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

We have nothing to report in respect of our obligation under the Companies Act 2014 to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of the Act are not made.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

MONAGHAN INTEGRATED DEVELOPMENT CLG

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

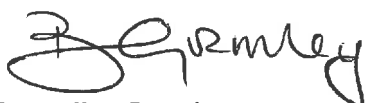

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

MONAGHAN INTEGRATED DEVELOPMENT CLG

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

Company information

Monaghan Integrated Development CLG is a company domiciled and incorporated in Eire. The registered office is Unit 9, Drumillard Business Park, Castleblayney, Co Monaghan. The company is funded by the Irish Government and it is charged with the delivery of a range of programmes whose aim is to support specific target groups with a view to making a difference in their lives. The company registration number is 463952.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), as adapted by Section 1A of FRS 102, and the requirements of the Companies Act 2014.

The financial statements are prepared in euros, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

MONAGHAN INTEGRATED DEVELOPMENT CLG

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.2 Going concern

The company is reliant on it continuing to administer certain grant aid for the Department of Rural & Community Development (Volunteer Centre), Department of Social Protection (LES, Jobs Club, TUS & RSS), Monaghan County Council and Local Community Development Committee (LCDC)(SICAP, Leader). Some of these programmes have multi-annual contracts, with annual performance reviews while other programmes delivered by the company must be applied for on an annual basis and/or subject to annual review and subject to certain conditions being adhered to and outcomes achieved.

The current LEADER programme was launched in Monaghan in September 2016 and has been implemented by MID up until 2020. The current LEADER programme has been extended to cover 2021-2022 with the same delivery arrangements. This will be referred to as 'LEADER Transitional Programme' and all partners have signed an addendum to the original contract. It is also expected that the next LEADER programme will commence in January 2023 and run up until 2027. The LCDC is the contract holders for LEADER and Monaghan Integrated Development CLG (MID) is the agreed implementing partner and Monaghan County Council is the financial partner.

A service level agreement was signed between the Monaghan Local Community Development Committee, Monaghan County Council and Monaghan Integrated Development on 17th November 2017 and partners have agreed the extension of the existing Service Level Agreement in line with this extended period. MID employs the LEADER project staff which are funded under the Administration and Animation budget of the LEADER Local Development Strategy. Any reductions or loss of this administration and animation budget would have a negative impact on the financial viability of the company. No funding arrangements have been put in place by the Department of Rural and Community Development for the post 2022 'work out period' of the LEADER Transitional Programme. Planning for the next LEADER programme scheduled for 2023 - 2027 will commence during 2022 with the programme expected to start during 2023. An indicative budget of €180m has been announced for LEADER 2023-2027, which, if materialised would represent a budget reduction of circa 30%.

The second Social Inclusion Community Activation Programme (SICAP) was subject to procurement and the contract was secured by Monaghan Integrated Development CLG and signed on 18th December 2017 and will run from January 1st 2018 to December 31st 2022. The SICAP contract was extended by 1 year and will now finish on 31st December 2023. The continuation of the contract is subject to satisfactory annual reviews which have been achieved to date.

The Local Employment Service and Jobs Club is funded by the Department of Social Protection (DSP) and is subject to an annual service bid and contract for funding its delivery. DSP has indicated a change in how the contract is awarded for these employment services which is likely to impact from 2022 onwards. The current LES and Jobs Club contract runs from January 1st 2022 to June 30th 2022 to facilitate a handover to the new contracted service in mid 2022. A formal tender process was published by DSP early in 2022 to cover a 4 year contract period for delivery of a new local employment service. MID will be submitting a tender for the new Local Area Employment Service which will cover counties Monaghan & Cavan. The Board are confident that adequate funding will be made available for the 6 month contract ahead.

Based on their current understanding and expectations, the directors believe that they will continue to administer grant aid for the aforementioned government departments and LCDC and associated programmes. Therefore the accounts have been prepared on a going concern basis. This assumes that the company will continue in existence for the foreseeable future having adequate resources to meet its obligations when they fall due. In assessing whether the going concern assumption is appropriate, the directors have taken into account the period up to twelve months from the date of approval of these financial statements.

Should the company be unable to continue in operational existence for the foreseeable future, adjustments would be made to reduce the balance sheet value of the assets to their recoverable amounts to provide for future liabilities that might arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.

MONAGHAN INTEGRATED DEVELOPMENT CLG

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.3 Income and expenditure

Income represents amounts receivable for the year from various funding agencies in addition to donations. The total income of the company for the year has been derived from its principal activities wholly undertaken in the Republic of Ireland.

Expenses include VAT where applicable as the company cannot reclaim it.

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures & Fittings	33.33% straight line
Office Equipment	33.33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to surplus or deficit.

1.5 Impairment of fixed assets

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in surplus or deficit, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.6 Cash at bank and in hand

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

MONAGHAN INTEGRATED DEVELOPMENT CLG

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

1.8 Taxation

The company has obtained exemption from the Revenue Commissioners in respect of corporation tax, it being a company not carrying on a business for the purposes of making a profit. The company's registered charity number is CHY 18564.

1.9 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

The company operates a defined contribution plan for the benefit of employees. Contributions are expensed when they become payable.

1.10 Government grants

Government grants are recognised as income in the period in which the relevant expense is incurred.
