MONAGHAN INTEGRATED DEVELOPMENT CLG

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

The directors present their annual report and financial statements for the year ended 31 December 2025.

Principal activities

Monaghan Integrated Development is a Local Development Company funded for the delivery of programmes on behalf of the State, Local Government and various Government Departments. The overall aim and objective is to support specific target groups with a view to making a positive difference in their lives. Monaghan Integrated Development was set up in late 2008 (formally County Monaghan Partnership Ltd) as part of the process of restructuring of the local development sector nationally.

A core role of Monaghan Integrated Development is to promote social inclusion, encourage enterprise development and employment creation, support access to education, training, lifelong learning and volunteering opportunities for specific target groups and assist community and voluntary groups to play their part in tackling disadvantage and supporting volunteerism. Monaghan Integrated Development is one of 49 local Development Companies nationally, which are increasingly being called upon by State, Local Government and the Statutory agencies to intervene on behalf of the State to achieve a common good and or ensure an equitable outcome (ie Covid 19 and health issues, Storms, Integration of migrants etc)

Monaghan Integrated Development implements the LEADER programme and is the Local Action Group for County Monaghan on behalf of the Minister for Rural & Community Development and the Gaeltacht. The core aim of the LEADER programme is to improve the quality of life of people in rural areas and to diversify the rural economy through a range of supports designed to help make rural areas economically and socially more sustainable.

The company also holds the contract to deliver the Social Inclusion Community Activation Programme (SICAP) on behalf of Monaghan Local Community Development Committee and the Minister for Rural & Community Development and the Gaeltacht. SICAP supports increased access to services for specified target groups and engaging with local communities in developing their areas. The programme focuses largely on facilitating skills development, lifelong learning, job placement and on supporting enterprise.

Building on the two core programmes above, MID works to secure additional complementary funding from other sources which has the effect of working to achieve overall company objectives and support a greater economy of scale and scope. A range of complementary programmes are delivered (ie. Local Area Employment Service, Volunteer Centre, TUS, Rural Social Scheme, HSE Section 39 Funding, Parenting Monaghan, International Fund for Ireland, Community Connections and PEACEPLUS and other small complementary funding initiatives) with a common theme of improving the lives of participants/clients. In addition, MID may, from time to time, also deliver a range of ad hoc and/or once off initiatives which supports the core role and objectives of the organisation (ie Polirural Plus, a Horizon Europe funded research initiative investigating options for rural areas).

The main object of Monaghan Integrated Development as an Integrated Local Development Company as outlined by our governing articles is to promote, support, assist and engage in (a) social development, (b) to alleviate unemployment through employment support and employment generation, (c) enterprise development to facilitate rural and urban regeneration, (d) the development of the environment, culture and heritage and (e) community development, designed to benefit and promote the welfare of local communities or to deal with the causes and consequences of social and economic disadvantage or poverty.

The company has staff employed by the company under the TUS & RSS programmes but administered and paid directly by Pobal. The average number of such employees in 2025 was 150 (2024: 137). The gross pay for these employees in 2025 was €2,442,196 (2024: €2,083,503) and the employer PRSI in 2025 was €40,756 (2024: €33,782).

The Company is a non profit making organisation. The Company is registered as a charity (No. 20071486) with the Charities Regulatory Authority.

Results

The results for the year are set out on page 7.

Accounting records
The company's directors are aware of their responsibilities, under sections 281 to 285 of the Companies Act 2014 as to whether in their opinion, the accounting records of the company are sufficient to permit the financial statements to be readily and properly audited and are discharging their responsibility by employing qualified and experienced staff, ensuring that sufficient company resources are available for the task and liaising with the company's auditors/seeking external professional accounting advice.

The accounting records are held at the company's business premises, Unit 9 Drumillard Business Park Castleblayney Co Monaghan.

Auditor
In accordance with the Companies Act 2014, section 383(2), DBA Accountants Ltd continue in office as auditors of the company.

Statement of disclosure to auditor
Each of the directors in office at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he / she ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 330 of the Companies Act 2014.

Small companies exemption
The entity has availed of the small companies exemption contained in the Companies Act 2014 with regard to the requirements for exclusion of certain information in the directors' report.

On behalf of the board

MONAGHAN INTEGRATED DEVELOPMENT CLG

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

Opinion

We have audited the financial statements of Monaghan Integrated Development CLG ('the company') for the year ended 31 December 2025, which comprise the income and expenditure account, the balance sheet and notes to the financial statements, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2025 and of its surplus for the year then ended;
- have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information in the annual report. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions, are not complied with by the company. We have nothing to report in this regard.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the company's financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF MONAGHAN INTEGRATED DEVELOPMENT CLG

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

• Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

Company information

Monaghan Integrated Development CLG is a company domiciled and incorporated in Eire. The registered office is Unit 9, Drumillard Business Park, Castleblayney, Co Monaghan. The company is funded by the Irish Government and it is charged with the delivery of a range of programmes whose aim is to support specific target groups with a view to making a difference in their lives. The company registration number is 463952.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), as adapted by Section 1A of FRS 102, and the requirements of the Companies Act 2014.

The financial statements are prepared in euros, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

1 Accounting policies (Continued)

1.2 Going concern

The company is primarily funded through the administration of a number of grant-aided programmes provided by the Department of Rural and Community Development and the Gaeltacht (Volunteer Centre and LEADER), the Department of Social Protection (LAES, Tús and RSS), Monaghan County Council and the Local Community Development Committee (LCDC) under SICAP. Certain programmes operate under multi-annual contracts that are subject to ongoing performance review, while other programmes are approved on an annual basis and/or are subject to annual renewal, compliance with specified conditions and the achievement of agreed outputs and outcomes. As a result, the continuation of these funding streams is dependent on ongoing performance, compliance with funding requirements and future funding decisions by the relevant authorities. In recent years, the company has sought to mitigate this dependency by diversifying its project portfolio through the delivery of additional complementary programmes funded outside its core funding sources.

A two-stage national competitive selection process was undertaken by the Department of Rural and Community Development and the Gaeltacht to appoint Local Action Groups for the LEADER 2023–2027 programme. Monaghan Integrated Development CLG ("MID") was successful in this process and was appointed as the Local Action Group for County Monaghan. The LEADER programme commenced in County Monaghan in May 2024, with MID acting as contract holder on behalf of the Department for the effective programme period 2024–2027, subject to the terms and conditions of the funding agreement. While the programme provides for a potential extension of up to two additional years, such an extension is subject to future approval and is not guaranteed. From the overall national allocation of €180 million, €5.9 million has been allocated to County Monaghan for the LEADER 2023–2027 programme. LEADER project staff employed by the company are funded from the Administration and Animation budget of the approved Local Development Strategy.

The third Social Inclusion Community Activation Programme (SICAP) was subject to a public procurement process in 2023 for a new five-year programme term. MID was successful in securing the contract for the period 2023–2028 and commenced delivery of the programme in early 2024. Continued funding under SICAP is subject to ongoing compliance with contractual obligations and performance requirements.

The Local Area Employment Service (LAES) is a payment-by-results programme introduced by the Department of Social Protection. Following a competitive selection process in 2022, MID secured a contract to deliver LAES services in Counties Monaghan and Cavan for the period September 2022 to August 2026, with provision for potential extensions subject to the discretion of the Department. In February 2026, the Department of Social Protection confirmed that the programme will be extended up to August 2028.

In forming their assessment of going concern, the directors have considered the company's funding arrangements, forecast cash flows, existing contractual commitments and the dependence on continued public funding. While the directors acknowledge that the company's activities are dependent on ongoing grant funding and contract renewals which are subject to external approval and performance conditions, they believe that, based on current information and expectations, the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the financial statements have been prepared on a going concern basis. This assessment covers a period of at least twelve months from the date of approval of these financial statements.

1.3 Income and expenditure

Income represents amounts receivable for the year from various funding agencies in addition to donations. The total income of the company for the year has been derived from its principal activities wholly undertaken in the Republic of Ireland.

Expenses include VAT where applicable as the company cannot reclaim it.

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost, net of depreciation and any impairment losses.

1 Accounting policies **(Continued)**

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures & Fittings	33.33% straight line
Office Equipment	33.33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to surplus or deficit.

1.5 Impairment of fixed assets

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in surplus or deficit, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.6 Cash at bank and in hand

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

.

1.8 Taxation

1 Accounting policies **(Continued)**

The company has obtained exemption from the Revenue Commissioners in respect of corporation tax, it being a company not carrying on a business for the purposes of making a profit. The company's registered charity number is CHY 18564.

1.9 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

The company operates a defined contribution plan for the benefit of employees. Contributions are expensed when they become payable.

1.10 Government grants

Government grants are recognised as income in the period in which the relevant expense is incurred.

2 Income

An analysis of the company's income is as follows:

	2025	2024
	€	€
DRCDG : Volunteer Centre	185,899	163,214

9 Members' liability

The company is limited by guarantee, not having a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding €1.

10 Income and expenditure account

	2025 €	2024 €
At the beginning of the year	1,598,138	1,127,645
Surplus for the year	684,661	470,489
At the end of the year	2,282,799	1,598,134

11 Financial commitments, guarantees and contingent liabilities

The company has received various grant funding from government bodies. These grants were paid upon approval of applications and in line with signed agreements. In the event that any such agreements are terminated, funding may become repayable to the funding body.

12 Other Relevant Items

Included in the accounts is expenditure relating to the Social Inclusion and Community Activation Programme, Local Area Employment Services, TUS programme, Volunteer Centre, Rural Social Scheme, Leader Programme, Parenting Plus, HSE Section 39 Funding & other small miscellaneous projects.

13 Restricted Accumulated Funds

Accumulated funds consist of reserves relating to all of the programmes administered by the company. The reserves of each individual programme are restricted to use within the specific programme and cannot be used for any other purpose.
The company has unrestricted reserves of €568,827 (2024 - €465,756)

14 Tax Clearance Compliance

The company is compliant with all relevant circulars (including circular 44/2006) in relation to tax clearance procedures.

15 Approval of financial statements

The directors approved the financial statements on 16 April 2026.
