Community Activation
Programme

A word from our **Chairperson** **Mary Mullen**

As Chairperson of Monaghan Integrated Development (MID), I am pleased to present the Annual Report 2025, highlighting the work undertaken during the year to support growth, opportunity, and wellbeing across County Monaghan. I am honoured to work alongside a committed voluntary Board dedicated to strengthening our communities through partnership and collaboration.

A significant milestone in 2025 was the retirement of our CEO, Gabriel O'Connell, after 23 years of outstanding service. Gabriel's leadership shaped MID's work in sustainability, community resilience, social inclusion, rural and economic development, leaving a lasting legacy throughout the county. In September, we welcomed Kilian Cawley as our new CEO. I look forward to working closely with Kilian as we continue to serve the people of Monaghan.

Our Strategic Plan 2023–2028 continues to guide our work, with progress monitored through a dedicated Board dashboard. The strategy provides a strong framework for delivering complementary programmes, maximising impact, and advancing our objectives across six key pillars.

This year saw the launch of the Community Connections Project, supporting communities in Monaghan and Cavan to respond positively and constructively to the arrival of International Protection Applicants through a community development and inclusion approach.

We were also pleased to welcome our new Rural Recreation Officer, who is leading the enhancement of walking and recreational infrastructure across the county. Following a successful Sport Ireland audit, eleven Monaghan Way workplans were approved and submitted to the Department, potentially increasing participation in the Walks Scheme from 9 to 18 landowners.

MID also secured funding for RuralRevive, a three-year EU-funded ESF+ project involving partners from Ireland and Greece. The initiative will support 40 unemployed people facing significant barriers to employment across Cavan and Monaghan, while helping employers create sustainable job opportunities.

Supporting social enterprise remained a priority. Through SICAP, nine organisations

participated in a four-week Financial Management Training Programme, achieving a 100% satisfaction rate and strengthening their capacity in financial planning and reporting.

The SICAP 2024–2028 Strategy continued to be implemented, focusing on building sustainable, inclusive communities and improving the quality of life for disadvantaged individuals. Priority target groups in Monaghan include people living in disadvantaged communities, those in low-income or jobless households, and International Protection Applicants. Programmes such as Buggie Buddies, run by Parenting Monaghan, continued to provide valuable support and social connection for young parents.

Progress was also made under the LEADER 2023–2027 Programme, with 33% of the budget allocated and 7% drawn down by year-end. Strong project demand continues, alongside initiatives focused on water protection, energy and waste audits, tourism development, and circular economy opportunities.

Our TÚS and Rural Social Scheme (RSS) programmes continued to provide essential support to community groups and charities while offering meaningful employment opportunities and assisting with community facility maintenance and enhancement.

The Local Area Employment Service (LAES) remained a vital programme across Monaghan and Cavan, successfully connecting jobseekers with employment opportunities and addressing local skills and training needs.

The Volunteer Centre enjoyed another successful year, recording 321 new registrations, placing 275 volunteers with 72 organisations, and supporting volunteer management through training and promotion. The County Monaghan Volunteer Awards, attended by over 250 people, celebrated the outstanding contribution of volunteers, including award recipients Linda Moore and Gerry Atkinson, whose commitment exemplifies the spirit of volunteerism in the county.

The Connecting Families project, funded by the International Fund for Ireland, continued to deliver community-based programmes in the Glaslough and Aughnacloy areas, promoting social connection, creativity, and wellbeing for children, families, parents, and older people.

In closing, I would like to thank my fellow Board members for their continued commitment and support. I also extend my sincere appreciation to Kilian Cawley, CEO, and all MID staff for their dedication in delivering such a diverse range of programmes throughout the year. As we look ahead to 2026, I am confident that, by working together, we will continue to meet challenges, support our communities, and create opportunities for people and businesses across County Monaghan.

Mary Mullen
Chairperson Monaghan Integrated Development CLG

CEO Report

Kilian Cawley

It is both a privilege and an honour to present my first Annual Report as Chief Executive Officer of Monaghan Integrated Development CLG (MID). Reflecting on the achievements of 2025, I do so with great appreciation for the strong foundations laid by my predecessor, Gabriel O'Connell, who retired during the year after many years of dedicated service to MID and to community-led local development in County Monaghan.

Gabriel's leadership has left a lasting legacy, helping shape MID into the respected and innovative organisation it is today. On behalf of the Board, staff and stakeholders, I sincerely thank him for his commitment, vision and dedication, and wish him every happiness and good health in retirement.

This report highlights the breadth of MID's work during 2025 and the continued impact of our programmes in supporting individuals, families, communities and businesses across County Monaghan. Our core programmes – the Social Inclusion and Community Activation Programme (SICAP), LEADER, and the Local Area Employment Service (LAES) – remain central to our work while enabling us to develop complementary initiatives that respond to emerging local needs.

Like all Local Development Companies, MID continues to operate in an environment where the periodic procurement of publicly funded programmes creates uncertainty. Greater long-term programme certainty would strengthen both organisational capacity and local service delivery, ensuring communities continue to receive high-quality supports. As Government increasingly recognises the value of integrated local development, it is important that stable delivery structures remain in place to meet local needs effectively.

Throughout 2025, our Community Development Team delivered high-quality supports through SICAP while strengthening partnerships with the HSE and other agencies. Programmes such as Older Persons Health Supports, Meals on Wheels, Intercultural Health Supports, Traveller Health initiatives and Parenting Monaghan continued to make a significant difference to the wellbeing of vulnerable individuals and families. MID also remained actively involved in cross-border collaboration through International Fund for Ireland-supported initiatives.

We were pleased to continue administering HSE Section 39 funding to community organisations delivering essential local services, including meals on wheels and older persons' wellbeing programmes. These groups play a vital role in reducing isolation, promoting wellbeing and supporting some of the most vulnerable members of our communities.

Our Local Area Employment Service continued to provide personalised support to people seeking employment, education and training opportunities. The professionalism and commitment of the team ensured participants received a high-quality service and achieved positive outcomes.

The LEADER Programme gained significant momentum during 2025 following its launch the previous year. Demand for funding remained strong, reflecting the ambition and innovation of County Monaghan's communities, voluntary groups and rural businesses. We look forward to supporting projects that will contribute to sustainable rural development and employment in the years ahead.

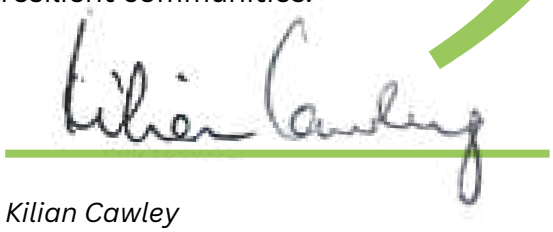
Another important milestone was the appointment of County Monaghan's Rural Recreation Officer, who commenced work in early 2025. This role will help enhance the county's walking trails and outdoor recreation infrastructure, supporting rural tourism, community wellbeing and recreational opportunities for residents and visitors alike.

MID also continued to support communities through the Rural Social Scheme (RSS) and Tús, providing an invaluable workforce that enables community organisations to deliver a wide range of local services and activities. Meanwhile, our Volunteer Centre continued to promote and support volunteering under the National Volunteering Strategy, with the County Volunteer Awards celebrating the outstanding contribution of volunteers across Monaghan.

Our achievements throughout 2025 would not have been possible without the commitment, professionalism and enthusiasm of our staff. Their dedication to improving lives and creating opportunities ensures that our mission of supporting growth, inclusion and opportunity remains at the heart of everything we do. The Q-Mark quality accreditation underlines our commitment to excellence.

I would also like to thank our Chairperson, Mary Mullen, and our voluntary Board of Directors for their guidance, support and commitment throughout the year. Their leadership continues to strengthen the governance and strategic direction of MID.

Finally, I extend my sincere appreciation to our funders, partners and community organisations. Through collaboration, shared ambition and mutual trust, we continue to deliver meaningful and lasting outcomes for the people of County Monaghan. I look forward to building on these achievements as we work together to create stronger, more inclusive and resilient communities.



Kilian Cawley
CEO

About Us

Monaghan Integrated Development CLG is a local development company. Local development promotes area-based, integrated, “bottom-up” interventions to address long-term unemployment, economic marginalisation and social exclusion. It recognises the interdependence of economic, social and cultural issues in working for sustainable and inclusive growth and social cohesion. Monaghan Integrated Development CLG supports communities, individuals, families, and small businesses in Co. Monaghan and Co. Cavan.

Monaghan Integrated Development CLG managed the following Programmes and Services in 2025:

- Community Connections Project
- Community Work Placement Initiative (TÚS)
- HSE Intercultural Support
- HSE Older Persons Support Programme (Meals on Wheels)
- HSE Traveller Health Care Project (THCP)
- IFI Parenting Project
- LEADER Programme
- Local Area Employment Services (LAES)
- New Arrivals Support
- Parenting Monaghan
- Rural Recreation and Walks Scheme (RR)
- Rural Social Scheme (RSS)
- Social Inclusion and Community Activation Programme (SICAP)

GOVERNANCE

The MID Board remains firmly dedicated to strong leadership, accountability, and transparency. Comprehensive systems and processes are in place to support responsible and effective governance.
In 2025, the Board held six meetings to address and advance important strategic, operational, and compliance issues.

Board members also participated in subcommittee meetings for Social Inclusion & Wellbeing; Employment; Rural Development; and Audit, Finance & Governance.
The Board continues to adhere fully to the Charities Governance Code, underscoring its commitment to upholding high standards of oversight and governance.

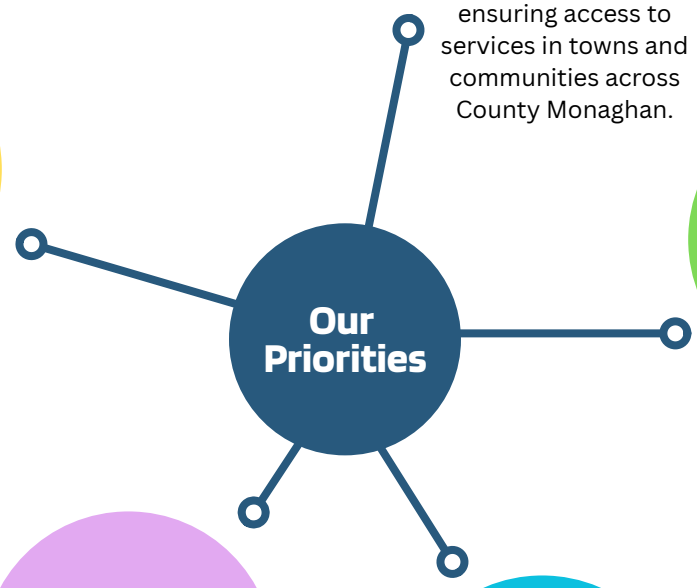
Strategic Plan 2024–2028

Our Strategic Plan 2024–2028 was developed through an extensive consultation process involving clients, communities, funders, partners, the Board, and staff. It outlines our core priorities and reflects the values that guide our work. The plan will steer our efforts over the next several years, enabling us to remain flexible while staying true to our mission: supporting local groups, individuals, and enterprises through publicly funded programs. The full plan is available on our website.



Community Development + Animation

To support and empower the community and voluntary sector, ensuring access to services in towns and communities across County Monaghan.

People

To support people to fulfil their potential in life, with a strong focus on education and employment, contributing to a healthy and prosperous County Monaghan.

Environment

To make a positive and proactive contribution towards a more environmentally conscious, sustainable and biodiverse County Monaghan through programmes and initiatives.

Organisational Development

To embed MID as a great place to work and as a sustainable, resilient and independent organisation at the heart of communities across County Monaghan.

Stimulating Enterprise + Economic Development

To support a strong, sustainable business and social enterprise sector across County Monaghan.

LEADER Programme

LEADER
Development led by local communities

Funded by the EU and the Department of Rural & Community Development and the Gaeltacht

Funded by the EU and the Irish Government the LEADER programme aims to develop rural areas both socially and economically. The programme offers guidance, support and grants to local businesses and community groups and focuses on three themes; Economic Development and Job Creation, Rural Infrastructure and Social Inclusion and Sustainable Development of the Rural Environmental.

2025 was a busy year with the 2023 – 2027 LEADER Programme ramping up. The team focused on building capacity with community groups, individuals and businesses and providing support with LEADER applications. 2025 saw the first project completions and drawdown of funds under the programme.

In March, MID hosted Board and Staff members from LEADER JyväsRiihi LAG in Finland. The group spent 4 days in Ireland and visited some local LEADER funded projects including Ballybay Food Hub, Doohamlet Community Centre and Walking Track, Brehon Brewhouse, Knocknagrave Environmental Education Centre and Siolta Chroi. It was a great opportunity for the two LAGs to learn from each other and share experiences.

The JyväsRiihi LAG on their visit to Knocknagrave Environmental Education Centre.

2025 also hailed the first internal MID projects rolled out under the LEADER programme. The Start your Own Tourism Business Training Project ran in conjunction with Monaghan LEO. This training course, which included mentoring, received very positive feedback from the tourism entrepreneurs who took part.

Participants on the course.

Projects Completed in 2025 under the 2023-2027 LEADER Programme

2025 saw the first project payments under the 2023-2027 programme. These payments included payments for projects fully completed and phase payments for projects to assist cashflow. The payment in 2025 included community infrastructure, the purchase of industrial equipment, enterprise infrastructure and equipment for cultural and arts project.

Ceol Connected is a Monaghan based production company that creates high quality artistic work for young audiences and that draws inspiration and intrigue from the world of traditional arts. They take their responsibility to present high quality shows to young audiences very seriously. They stage productions in theatres, schools and community buildings. In December of last year they were part funded to purchase pipe and drape and moving theatre lights in order to ensure that everyone could enjoy the productions to their full effect, even in non traditional venues – community centres, schools and festivals.

The Phoenix Centre Carrickmacross provides a vital community facility to the people of Carrickmacross and further afield. They often hold regional sporting events in their sports hall and came to LEADER for assistance to purchase mobile tiered seating/bleachers to enhance the spectator experience for these events, protect their sports floor and reduce the set up time for events.

Key LEADER **outcomes for 2025**

€351,819.15 paid out to projects upon completion.

€1,092,462.08 approved to 21 projects under the 2023-2027 LEADER programme.

Local Area Employment Service

Intreo | Partner

Seirbhísí Fostaíochta
Employment Services

Funded by Department of Social Protection

Monaghan Cavan Local Area Employment Service is funded by the Department of Social Protection.
Monaghan Integrated Development (MID) in partnership with Cavan County Local Development (CCLD) deliver the Local Area Employment Service Lot 4 covering County Monaghan & County Cavan. The main aim of the service is to support long-term unemployed jobseekers to gain full-time permanent work.
The LAES specialize in supporting long-term unemployed jobseekers and addressing barriers to employment. We provide tailored approaches to upskilling, training, education options, and preparing jobseekers for the open labour market.
The LAES has 3 main offices in Monaghan Town, Carrickmacross Town and Cavan Town. In addition, we provide the service in outreach locations such as Ballyconnell, Bailieborough and Cootehill in County Cavan and Castleblayney, and Clones in County Monaghan.

New LAES Activation Group

DSP have activated a new target group to the LAES service, those receiving a jobseeker transition payment. These are people parenting alone and whose youngest child is aged 7 to 13 years.

The LAES service will support JST clients with guidance and development before the transition from JST payment to a jobseeker's payment when their youngest child is 14 years.

From September to December 2025, we received 71 JST clients with 37 in County Monaghan and 34 in County Cavan.

The focus of support from the LAES have included MID's Parenting Monaghan, SICAP such as life coaching, driving lessons and volunteering along with referrals to CMETB for upskilling and preparation to return to future work.

LAES staff Training and Development 2025

All LAES staff attended dealing with challenging behavior training delivered by Team Teach.
Lesley Donnelly, Teresa McCahey, Dominique Ward & Anne McCague are trained as safety representatives and first aiders.
Una Coyle completed refresher internal auditors training for the EIQA quality standard.
Caseworkers Anne Treanor, Eileen Murphy & Linda Bolger successfully completed their level 7 in Career Coaching and celebrated their graduation day in Technological University Dublin.

Additional Activities

MID submitted a detailed report on the learnings from LAES which will be used in the Indecon consultation process reviewing the LAES service.
Aisling Murray joined the LAES team as a Caseworker in mid-2025
LAES Team Leader Una Coyle attained the Local Development Company Network conference highlighting the benefit and achievements of integrated work.

Rural Revive

The Rural Revive submission to the ESF+ Social Innovation Initiative was successful and the project started its set-up phase in September and will run for 36 months.

The aim of the Rural Revive is to empower long-term unemployed jobseekers aged 45+ in rural communities to sustain employment by providing employers with a wage subsidy for 12 months.
Partners include Future in Perspective, MID, CCLD in Ireland and Heraklion Chamber of Commerce & Industry and Ploigos Training and Development in Greece.
Rural Revive kicked off with its first international meeting in Ireland in November 2025.
An Employment Support Officer will be employed by MID, the first stage of job placements will start in September 2026.

RuralRevive
Reviving Local Rural Employment Through Decent Work

Key LAES **outcomes for 2025**

970 long-term unemployed jobseekers attended initial one-to-one meetings and 968 case managed jobseekers developed a Personal Progression Plan and attended monthly LAES meetings (can include carryover or reengaged clients from previous years).

81 jobseekers gained full-time employment that lasted more than 17 weeks and 106 jobseekers moved into various types of employment such as full-time, part-time and self-employed during 2025.

Number of new long-term unemployed jobseekers referred 1,042 (550 County Monaghan & 492 in County Cavan).

96% of LAES clients were satisfied with the LAES service.

Social Inclusion and Community Activation Programme

Social Inclusion & Community Activation Programme

Funded by Department of Rural and Community Development and the Gaeltacht

The Social Inclusion and Community Activation Programme (SICAP) helps people and communities facing social and economic challenges.

SICAP's goal is to make sure everyone has a fair chance in life. It helps people build their skills and confidence so they can improve their lives. The programme also works with local communities to understand what they need and offers support based on those needs.

The SICAP team engage with people and communities at their own level, empowering them to overcome difficulties and supporting them to create better futures for themselves and their community.

Defibrillator Training in Killygoan

Supporting Disadvantaged Estates

In 2025, SICAP completed Community Plans for:

·Beechgrove estate in Clones
·Loc Mor Avenue & Cul Brennan/Corrybrennan estates in Ballybay.
·Ard Na Lurgan and Lough Na Glack estates in Carrickmacross.
·Killygoan estate in Monaghan.

Work undertaken in all areas included:
·Meetings with residents/residents groups to support the distribution of Community Questionnaires.
·Questionnaire analysis and production of draft reports.
·Feedback workshops with residents representatives on draft plans.
·Completion and launch of 3 Year Plans for each area.

Corrybrennan & Culbrennan 3-Year Community Plan launch

In addition, the following activities took place;

·Community Clean Up Day completed in Lough na Glack estate in conjunction with Monaghan Volunteer Centre.
·Election of 2 new Residents Committees in Ard Na Lurgan and Lough Na Glack estates, facilitated AGM's & registration with PPN.
·Christmas events held in Ard Na Lurgan and Lough Na Glack
·Facilitated Killygoan group to meet in Monaghan Harps on a monthly basis in the absence of a community premise in Killygoan.
·Family fun day held in September in collaboration with Foróige on the green in Ard na Gleann.
·AGM facilitated.
·Facilitated group to hold defibrillator training. The group successfully applied to HSE National Lottery Funding for defibrillator which has been installed on the exterior wall of the shop in the area.

Killygoan Community Plan Launch

One of the 50 new business start ups supported in 2025

Starting a business to build a better future

One of SICAP's key strengths is its ability to support long term unemployed individuals to start a business of their own. In the 2018-2023 programme, 310 people were supported into self-employment. Close to 70% were still trading after 2 years.

A key strength of SICAP is the strong relationship between the staff and the clients, before, during and after their business commences trading.

Despite the reducing numbers on the live register a total of 50 unemployed individuals progressed into self-employment in 2025. These individuals were supported with all stages involved in bringing their business to fruition, including Planning for Self-Employment training, Resilience Workshop, completion of their business plan, income tax registration, business name registration, BTWEA/STEA application.

The gender breakdown of the total start-up businesses was 24 males (48%) and 26 females (52%). A designated Ukrainian language Planning for Self-Employment training course was completed by 20 individuals.

"It was thanks to your support, guidance and listening ear that I started my business this year. What a fabulous teams you are part of. Forever grateful"

"Thanks for believing in my business plan and giving me all the guidance and help. I really am thankful for all the help I received and I've told lots of people about you who are thinking of starting up in business"

Key SICAP **outcomes for 2025**

37 community organisations supported, including 7 Social Enterprises and 2 Networks.

383 individuals supported.

10 community organisations received grants totalling €19,553

5 individuals supported into employment, 50 into self employment and 56 individuals were referred to other services to address individuals needs.

3 Children & Family activities engaged 962 young people.

99 individuals received Life Long learning grants totaling €32,566

21 non caseload activities engaged 1039 attendees.

Community Connections **Project**

An Roinn Forbartha Tuaithe agus Pobail agus Gaeltachta
Department of Rural and Community Development and the Gaeltacht

Funded by the EU and the Department of Rural & Community Development and the Gaeltacht

The Community Connections Project is funded by the Department of Rural and Community Development and the Gaeltacht (DRCDG) and employs a Community Link Worker (CLW). Its purpose is to strengthen community integration, promote inclusion and build positive relationships between existing residents and new communities in Clones and Cavan town. The project aims to identify local challenges, improve community connections, and support social cohesion. It is a collaboration with Cavan County Local Development (CCLD).

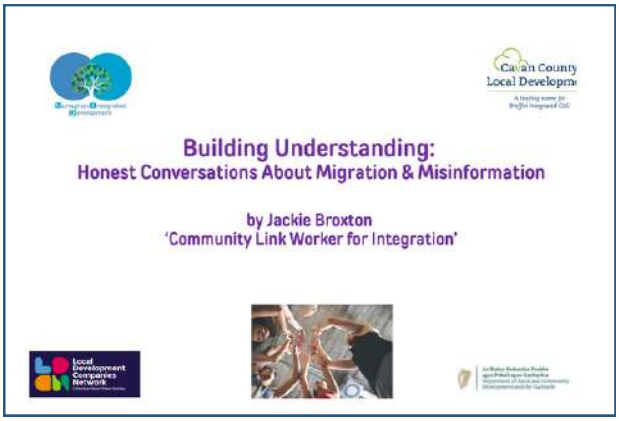
Key Activities and Achievements

Community Consultation and Engagement

The CLW commenced in April 2025. A major focus at the outset was establishing relationships with local residents and community groups. Consultations were conducted with 46 groups across Clones (22) and Cavan (24), including youth groups, disability organisations, Traveller groups, residents' associations, schools, faith-based organisations, sports providers, Men's and Women's Sheds, ex-prisoners and multicultural groups. In-person consultations and online surveys were used to gather feedback on integration experiences, challenges, service gaps, and community support needs. The findings informed community development initiatives in the project.

Misinformation Awareness

The CLW delivered mis/dis-information workshops to 90 participants, including members of the Equality Sub Group. These workshops aimed to improve understanding of misinformation and encourage informed community dialogue.



Community Development Projects

Several community-led initiatives were supported during the reporting period:

Clones Community Garden Project

Engagement with residents and local authorities to establish a community garden. There was strong community interest and planning is underway.

Cavan Community Podcast

Collaboration with Cavan Connects to develop a podcast focused on misinformation awareness and community support information, supported through funding for equipment.

Cavan Kitchen Connects

Development of a wellbeing and integration initiative connecting women through food, culture, and healthy community activities.

Community Information and Awareness Campaigns

- Development of a *"Pathways to Ireland"* information flyer during Social Inclusion Week 2025, promoting respectful language and counteracting misinformation about migrants.
- Creation and distribution of support information flyers (via CCLD and MID) highlighting services and supports available to all community members.

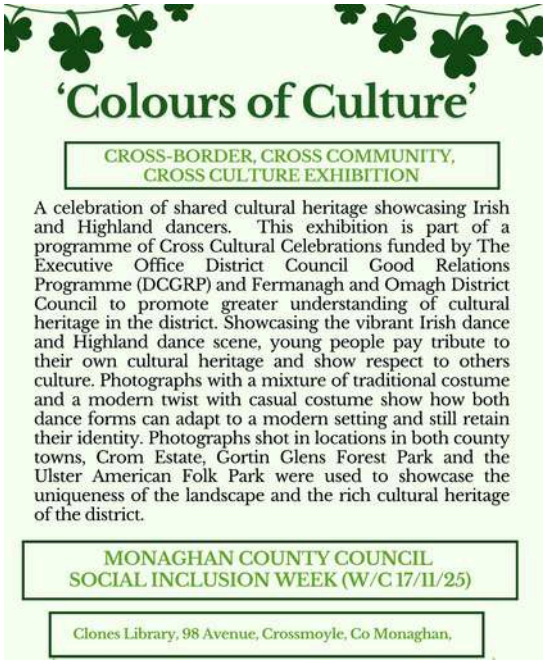
Youth Integration Initiatives

Partnerships were developed with the Cavan Multicultural Centre and Future in Perspective (FIP) to establish cultural awareness and integration programmes for migrant and local youth. This includes a two-year learning and integration programme and the establishment of a focus group for the European Kaleidoscope Project.

Community Education and Cultural Awareness

The CLW supported several educational and cultural initiatives including:

- Development of a Community Leaders Cultural Awareness Training Project in partnership with the Good Relations Integration Team in Fermanagh, strengthening cross-border cooperation and leadership capacity.
- Collaboration with Clones Library and Places of Sanctuary to progress towards establishing the first Library of Sanctuary in County Monaghan.
- Exploration of Schools of Sanctuary with schools in Cavan and Clones.
- Organisation of the *Colours of Culture* cross-border cultural heritage exhibition during Social Inclusion Week 2025, celebrating diversity and supporting inclusivity objectives.



'Colours of Culture'

CROSS-BORDER, CROSS COMMUNITY, CROSS CULTURE EXHIBITION

A celebration of shared cultural heritage showcasing Irish and Highland dancers. This exhibition is part of a programme of Cross Cultural Celebrations funded by The Executive Office District Council Good Relations Programme (DCGRP) and Fermanagh and Omagh District Council to promote greater understanding of cultural heritage in the district. Showcasing the vibrant Irish dance and Highland dance scene, young people pay tribute to their own cultural heritage and show respect to others culture. Photographs with a mixture of traditional costume and a modern twist with casual costume show how both dance forms can adapt to a modern setting and still retain their identity. Photographs shot in locations in both county towns, Crom Estate, Gortin Glens Forest Park and the Ulster American Folk Park were used to showcase the uniqueness of the landscape and the rich cultural heritage of the district.

MONAGHAN COUNTY COUNCIL
SOCIAL INCLUSION WEEK (W/C 17/11/25)

Clones Library, 98 Avenue, Crossmoyle, Co Monaghan.

New Arrivals **Support Programme**

New Arrivals Support Programme

Funded by Department of Rural and Community Development and the Gaeltacht

The New Arrivals Support Programme, funded under the SICAP initiative, provides targeted support to individuals and families who have recently arrived in County Monaghan from other countries, including those seeking protection or resettlement.

The programme facilitates their integration into Irish society by addressing essential needs such as healthcare, education, employment, housing, and community inclusion. By providing customised assistance and organising local community-based events, the programme creates an inclusive, supportive environment that empowers newcomers to establish stable, self-sufficient lives in their new communities.

New Arrivals learning about Irish history and experience of emigration

Key New Arrivals Support **outcomes for 2025**

- New Arrivals support provided in 11 outreach locations.
- 2 Story workshops delivered at Halloween and Christmas to 31 participants in M-Hotel to support English language skills development
- 61 individual new arrivals supported to engage in employment and training activities.
- Av 100 people engaged weekly in English language Fáilte Isteach conversation classes
- 20 participants completed sewing classes
- 10 individuals completing Safepass and manual handling training.
- 28 individuals completing driving lessons to improve mobility and work access.

Older Persons **Supports**

Feidhmeannacht na Seirbhíse Sláinte
Health Service Executive

Funded by the HSE

The older persons support programme is a partnership between the HSE and MID. The programme provides a range of supports to older people in our community, including support for social day groups and for groups delivering Meals On Wheels across the county.

These groups deliver a valuable social outlet for many older people and help to reduce social isolation. The range of supports offered has a positive impact in communities where our most vulnerable are supported to live independently and build connections.

Beyond individual benefits to our older residents, the range of supports on offer also affords many volunteering opportunities to local residents with attendant rewards for volunteers.

Monaghan Integrated Development in partnership with Monaghan Age Friendly Programme and HSE launched the Older persons Information Booklet at a packed Tydavnet Community centre.

The booklet is a one stop shop for older people, their families and carers to access information on essential supports and services in the county that support older persons in our community.

Key Older Persons Support **outcomes for 2025**

- €162,440.00 provided in grant aid - This includes support for Meals On Wheels services in Truagh and Clones.
- 16 Daycare Services supported.
- Provided activity supports for Social Groups.
- 30 clients.
- Supported HSE Networking event for service providers in Cavan Monaghan.
- Referrals continue to come from a variety of sources; PHNs, OT, family members, self-referrals etc.
- Meals on Wheels - Carrickmacross and surrounding areas.
- 4888 meals distributed.
- Meals on Wheels service delivered by 1 coordinator, 1 RSS worker & 5 volunteers.
- average 24-28 clients/week.

Intercultural **Supports**

Funded by the HSE

The Intercultural Supports programme is a partnership between the HSE and MID. The programme provides early intervention to support the health needs of new communities members (including displaced Ukrainians), facilitating access to community health services outside of the acute system. It works with the community to identify and address general health and well being needs as well as specific supports with medical card access and the management of chronic conditions in the community.

Feidhmeannacht na Seirbhíse Sláinte
Health Service Executive

Participants attending First Aid sessions in the M-Hotel Carrickmacross and the Sacred Heart home in Clones.

Key Intercultural Support **outcomes for 2025**

2682 supports delivered, 1,462 face to face, 944 by phone and 276 via email, to assist clients deal with Health & Wellbeing issues.

- GP, Dental and Hospital appointments for non English speaking clients.
- Provision of certified First Aid sessions in Carrickmacross and Clones to 31 participants.
- Provision of Information on the Irish Health system and how it works.
- Interpreter access for Dental and GP appointments.
- Form filling for Supplementary Welfare, Disability Allowance and Illness Benefit.

IFI Parenting **Project**

International Fund for Ireland

Funded by the International Fund for Ireland (IFI)

The IFI Parenting Project brought together 4 school communities (2 north, 2 south), drawn from both traditions (Catholic and Protestant) to explore the challenges of Parenting and navigating the education system in a Border region.

The project aimed to:

- Increase cross community/cross border connections to help provide meaningful social and economic benefits.
- Build parental skills in a range of areas.
- Increase personal and social development for all individuals, families and communities involved.
- Highlight policy issues in relation to parenting in the border region and problem solve same.
- Embed lasting relationships on a cross border basis.

The project did not run exactly as anticipated as:

- Our cross-border partner, Parent Focus NI ceased operations.
- There was greater need identified for increased cross community/cross border connections building in Aughnacloy.

In agreement with the IFI, focus switched to the older generation in the community and building realtions and cross community connections.

Cross Community networking trip

Combined school choirs entertaining Older Persons Coffee morning group

Key IFI Parenting Project **outcomes for 2025**

GLASLOUGH

4 Schools and 40 Parents engaged.

Drama workshops held with schools and children supported to write and present a play on social media.
Their play was presented in the Garage Theatre, Monaghan which many NI participants had never visited before.

Weekly cross community coffee mornings held in Aughnacloy with av. 20 older people attending.

NI Parents of children with Special Needs supported to connect with and get support from Errigal Truagh Special Needs Centre.

Range of activities provided to encourage cross community interaction including: Pilates, Jiving, Art, First Aid, Sewing & Embroidery which reached over 1,000 participants.

Activities delivered in spaces previously unfrequented by different traditions but successfully attracted both communities.

Rural Recreation and **Walks Scheme**

Rural Recreation Officer

Funded by Department of Rural and Community Development and the Gaeltacht

The DRCDG, with the support of Fáilte Ireland, funds the employment of Rural Recreation Officers (RROs) through Local Development Companies across Ireland. The RRO helps to implement the National Outdoor Recreation Strategy and works with local communities to develop, maintain and promote rural amenities, with a particular focus on walking, cycling, and water trails.

The RRO administers the Walks Scheme, which provides maintenance payments to private land-holders to keep trails safe and enjoyable for walkers, and funds the purchase of materials for trail maintenance and infrastructure upgrades. It provides an income stream for rural communities and encourages tourism and economic development.

Until April 2025, one RRO was operating across both counties Cavan and Monaghan, employed by Cavan County Local Development (CCLD). After The Monaghan Way walking trail was given approval to join the Walks Scheme in 2024, the DRCDG agreed to fund a new RRO role within MID. As well as overseeing maintenance on the Monaghan Way, the RRO also assists community groups seeking funding through the Outdoor Recreation Infrastructure Scheme (ORIS) to develop and enhance outdoor recreation initiatives in their area.

Walks Scheme

The Monaghan Way: view of Lough Ross from a hilltop in Corragarry

Improved Safety On The Monaghan Way

Waymarking signage has been cleaned and repainted. Additional safety signage has been installed all along The Monaghan Way to advise trail users of risks such as livestock and electric fencing, and to encourage responsible behaviour in the outdoors.

Repainted waymarker on The Monaghan Way

New safety signage installed at access point in Kilmurry.

The RRO has also co-ordinated with Monaghan County Council to deal with issues of trail safety, including cutting back vegetation at a crash barrier to allow safer access to an off-road section of trail at Inniskeen village.

Before hedge cutting at Inniskeen.

Improved access after hedge cutting.

Group Walk Events

Several walk events took place on The Monaghan Way during the year, helping to boost participation in the outdoors and promote the trail as a walking destination. These were conducted with the help of volunteers from local walking groups the Knockatallon Ramblers and Blayney Ramblers, and scheduled to coincide with events such as Active Travel week, the Muckno Mania festival, Her Outdoors Week, and National Walking Day.

Muckno Mania Walk Event July 5 2025.

ORIS Funding for Cashlan Lough Trail Predevelopment

On August 14th, Minister Dara Calleary of the DRCDG announced funding for 221 projects through the Outdoor Recreation Infrastructure Scheme. This included €49,950 for a successful Project Development Measure application submitted by MID on behalf of Greenan's Cross Restoration Committee. The funding will go towards planning a 2.3km walking trail at Cashlan Lough in Lecklevera. The project has been devised with the assistance of LAWPRO's Community Water Officer and involves the creation of a buffer zone between the lake and adjacent farmland, allowing natural habitat regeneration along the shoreline and reconnecting areas of wet woodland either side of the lake. On behalf of the Committee, the RRO also consulted with NPWS and Monaghan Co. Council on matters of ecology, biodiversity and planning.

Trail Management Training for Community Groups

On October 6th in Bailieborough, Co. Cavan, Sport Ireland Outdoors inspectors Ray Linn and Jeremy Smith delivered a Trail Monitoring and Maintenance Workshop for Trail Management Organisations (TMOs) and community groups from Cavan, Monaghan and Louth. Representatives from areas including Greenan's Cross, Rockcorry, Knockatallon and Cootehill were trained in risk assessment, trail monitoring plans, planned and reactive maintenance, and trail activity recording.

Key Rural Recreation and Walks Scheme **outcomes for 2025**

A new full-time RRO for Co. Monaghan was appointed in April 2025, based in MID's Castleblayney office.

18 landholders along the Monaghan Way became the first in County Monaghan to join the national Walks Scheme.

The first nine participants signed up in April 2025 received a total of €7,065.48 for the period of April-December 2025, to carry out 455.25 hours of maintenance work along 4.085km of trail

A further nine landowners joined the scheme in November 2025, bringing the total number of participants to 18 and the total length of trail covered by the scheme to 8.2km.

An advance payment of €11,734.83 was made to these 18 participants in December 2025 to cover the period January-June 2026.

A successful application for €49,950 in ORIS Project Development Measure funding was submitted on behalf of Greenan's Cross Restoration Committee to fund trail pre - development at Cashlan Lough.

Representatives from 4 community groups across Co. Monaghan received training in Trail Monitoring and Maintenance led by Sport Ireland Outdoors.

Rural Social Scheme

RSS

Rural Social Scheme

Funded by Department of Social Protection

The Rural Social Scheme (RSS) is an income support scheme designed to offer part-time 'Off the Farm' employment opportunities within community and voluntary organisations. It is aimed at farmers—and in some cases, their family members—who are in receipt of specific social welfare payments.

Participants on the RSS work 19.5 hours per week, with flexible scheduling to accommodate their farming commitments. The roles are diverse and focus on supporting local community, voluntary, and not-for-profit groups. Tasks may include maintaining community and sports facilities, assisting Tidy Towns initiatives, working in community cafés and charity shops, providing administrative support, and delivering social care services, particularly to older people.

Testimonial: Camphill Community/Grainne McCormill

"Grainne McCormill joined the Rural Social Scheme in 2006 and is placed with the Camphill Community, Corraskea, Ballybay. The community's focus is on life sharing, where residents and volunteers live, work and participate in spiritual and social activities together. They provide residential and day services for adults with intellectual disabilities and other care needs. Residents contribute according to their abilities; most support staff are volunteers from Ireland and abroad.

They have a small holding, which contains a small milking herd, and male calves are reared for beef. They also have a small flock of laying hens. The gardening team grow a wide variety of vegetables in their allotments and greenhouses; there is also a small orchard which supply the three households with produce. Camphill communities of Ireland are a registered charity and operates under national social care standards.

Grainne's predominant role is cooking the main meal for one of the households and also for other members of staff working in that household. She uses the produce grown on the farm and tailors her menus to incorporate whatever fruit and vegetables are in season. She also bakes fresh bread and cakes. As part of her role, she also assists with the care of one of the female residents. She says she enjoys working in Camphill and likes the variety".

CAMPHILL COMMUNITIES OF IRELAND

Grainne preparing dinner for residents and staff.

Key RSS **outcomes for 2025**

43 Community Groups benefited from 74,022 hours of work provided by RSS participants.

€7,500 from the materials grant was instrumental in enabling key community projects with limited resources to proceed, ensuring their successful implementation.

5 New RSS participants were facilitated on the programme which brought the total in 2025 to 73.

3 Long standing RSS participants retired in 2025.

63 opportunities of Training were provided to participants in 2025, inclusive of Manual Handling & First Aid, Mental Health, Safepass, HAACP.

Tús (Community Work Placement **Initiative)**

Funded by Department of Social Protection

The Tús initiative is a Community Work Placement Scheme providing short-term working opportunities to unemployed people and in some cases people with disabilities. The work opportunities are to benefit the community and provided by Community and Voluntary organisations in both urban and rural areas. Tús helps participants regain a work routine, develop new skills, and build confidence while contributing to their communities.

The Tús initiative is managed by MID on behalf of the Department of Social Protection, which has overall responsibility for the scheme. Participants work 19 ½ hours a week and the placement lasts 12 months. All the work carried out by participants on Tús is community-based.

The types of projects eligible for the scheme may include:

· *Environmental services (for example, conservation and maintenance of national walkways)*
· *Caring services (for example, childcare, care of older people)*
· *General community services (for example, newsletters or information provision for communities)*
· *Heritage and cultural services (for example, local heritage project)*

Testimonial: Carrickmacross Toy Library

"At Carrickmacross Toy Library, access to staff through Tús and similar employment support schemes has been extremely beneficial to us as a charitable social enterprise. As our operating margins are tight, securing funding for full-time staff positions can be very challenging. Supporting scheme workers and helping them tailor their skills to our working environment has been an important part of our organisational growth. Through dedicated guidance and support, our scheme workers have developed new skills and increased confidence. It has been a mutually beneficial relationship for everyone involved." *- David Marron (Carrickmacross Toy Library Manager)*

Carrickmacross Toy Library

Testimonial: Laurel Hill Childcare

"Laurel Hill Childcare has been registered with TUS since we opened in August 2024. We are a Full Daycare Service, offering ECCE preschool session, Breakfast and Afterschool Clubs along with Out of Term Daycare and Camps.We have been fortunate to secure two participants from the TUS Programme over the last two years.

The Tus participants have forged strong working relationships with existing and newly recruited staff, they are both valued and appreciated members of the Laurel Hill workforce." - *Lorrayne Bradley (Laurel Hill Childcare Service Manager)*

Laurel Hill Childcare, Castleblayney

Key Tús **outcomes for 2025**

117 opportunities of Training were provided to participants in 2025, inclusive of Manual Handling & First Aid, Mental Health, Spraying & HAACP.

We Received 129 Standard Referrals & 36 Self-Referrals in 2025, we worked with DSP on a targeted approach which brought a further 70 referrals.

60 Community Groups benefited from 63,882 hours of work provided by Tús participants.

80 participants started on Tus in 2005 and 56 completed their 12 months in 2025.

Volunteer Centre **Monaghan**

Monaghan Volunteer Centre
Ionad d'Obair Dheonach Muineacháin

Funded by the Department of Rural and Community Development & the Gaeltacht

Monaghan Volunteer Centre's mission statement is:

"To promote the value of volunteering and increase the range and quality of volunteering in Co. Monaghan and Ireland".

The core of MVC's work is bringing together non-profit organisations in searching of new volunteers and people interested in volunteering. It also provides a range of supports to individuals and organisations. In recent years MVC has also run a number of special programmes to facilitate migrants and other groups less likely to volunteer to get involved in the community.

Official Launch of the 2025 Co. Monaghan Volunteer Awards.

International Volunteers Day Hampers recipient with Sinead Keenan

Tidy Towns Partnerships

Our partnership with Carrickmacross Tidy Towns creates opportunities for more migrants to volunteer and for that volunteering to take place over several months, rather than just one-off events. It resulted in 1,099 hours volunteered in 2025, including two visits to help Inniskeen Tidy Towns. Our migrant volunteering projects worker Barbara recruited and managed the volunteers. They carried out work including maintenance of flower displays, cleaning and replanting pots, litter-picking, re-painting signs and more.

Some of our "Flower Power" team who assisted Carrickmacross Tidy Towns with care of floral displays around the town all summer.

"We get a great contribution from the Monaghan Volunteer Centre Volunteers, the whole ethos of the Tidy Towns is volunteerism and social inclusion, and at this time of year we would be stuck without the extra hands." **Gerry Hand, Carrickmacross Tidy Towns**

'Big thanks to you Barbara and all Monaghan Volunteer Centre team for all your hard work and kindness! Your support means so much —it was a pleasure working with Carrickmacross power flower project ....it was really such a great experience and opportunity.' **- Firdawz Ali, volunteer**

Co. Monaghan Volunteer Awards

The 18th annual awards took place at the Iontas Theatre in October, with 30 nominees across four categories. The winners were:

Volunteer of the Year – Linda Moore
Group of The Year - Knockatallon Development
Volunteer Team of the Year – Clones Funeral Stewards
Lifetime Achievement – Gerry Atkinson

We nominated Linda and Gerry to the national Volunteer Ireland awards and were delighted when Gerry won the Safety & Emergency Services category and Linda was the overall national Volunteer of the Year.

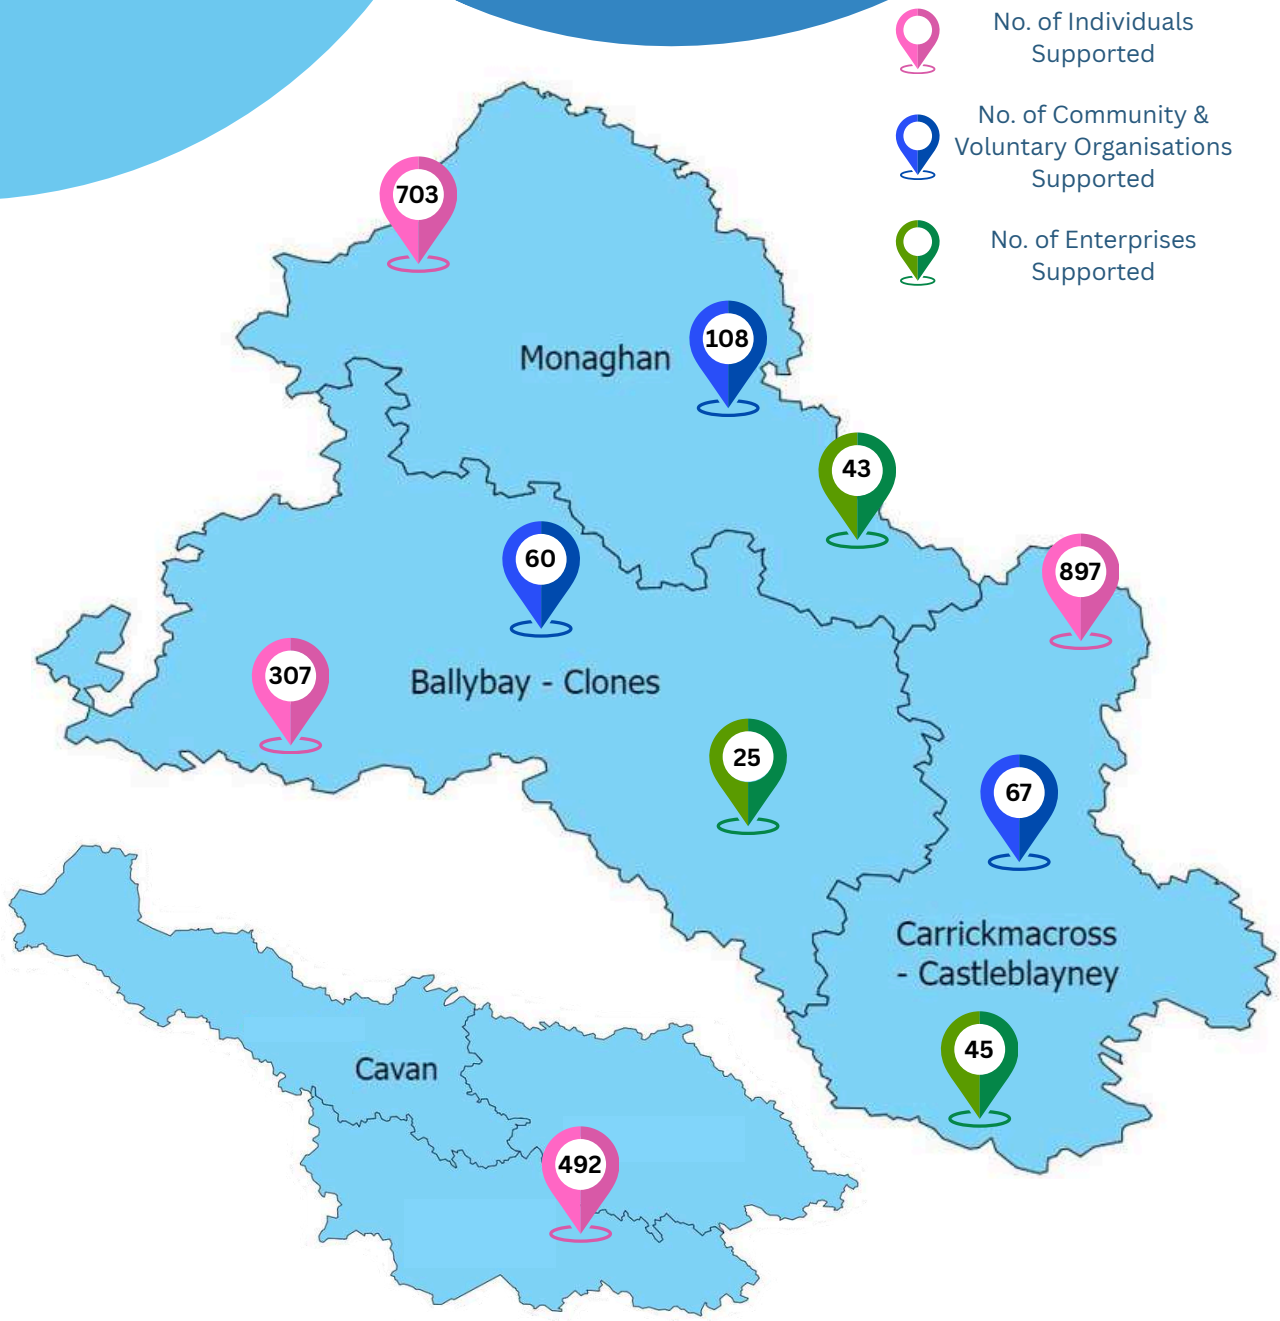
Gerry Atkinson (Safety & Emergency Services winner) and Linda Moore (National Volunteer of the year)

Knockatallon Development, winners of Co. Monaghan Volunteer Awards – Group of Volunteer Ireland National Volunteer Awards winners.

Key Monaghan Volunteer Centre **outcomes for 2025**

- 347 new volunteers registered.
- 317 placements in volunteer roles.
- 419 Garda Vetting applications processed.
- New Migrant Volunteering Projects Worker position created.
- Two new staff – Eoin Treanor & Barbara Egan.
- Co. Monaghan Volunteer Awards presented in front of crowd over 280 people.
- 2 of the Volunteer Awards winners who we nominated for national awards won.
- Migrant Volunteering projects created 178 placements and 1,139 volunteer hours MID staff volunteering day with Castleblayney Tidy Towns.
- Support for Failte Isteach including volunteer recruitment and volunteer recognition.
- Carrickmacross World Choir founded.
- Carrickmacross Tidy Towns Partnership.
- International Volunteer Day hampers for volunteers at 27 organisations.
- Variety of other events, volunteer projects and training.

Our Impact Across County **Monaghan 2025**



Cavan is included as it falls under the Local Area Employment Services (LAES) which covers Monaghan and Cavan*

*Note: CCLD provides a full range of SICAP, LEADER and other services in Co. Cavan.
